Game History

Centuries have passed since the epic battle between Contra and Blood Falcon.
Earth lies deserted, a casualty of wasteful civilizations and alien attacks that left the planet polluted and uninhabitable. But humanity survives and now even thrives on a new planet.
The light could only last so long, however, and now once again a shadow falls upon the flourishing human race in the form of NEO CONTRA!
A psychotic, well-armed group has ordained itself heir to the legendary, heroic CONTRA name, and proceeds on a course of mass destruction and genocide.
After an exhaustive investigation, the planetary assembly discovers that NEO CONTRA's base is on the forgotten planet, Earth.
Desperate and afraid, they awaken from cryogenic sleep the ultimate soldier and original CONTRA, Bill Rizer.
He is given a simple but difficult directive: Destroy NEO CONTRA! The titanic battle of CONTRA vs. CONTRA is about to begin.

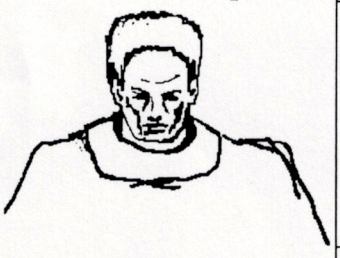
	Master That was a truly valiant effort! Really, most entertaining! Jaguar Who are you?	
	Master You can't guess? I am the supreme commander of NEO CONTRA! Bill Commander? You must be Master CONTRA!	
	Master Bwahaha! Correct! I'll hand it to you, Bill Rizer. You beat my elite four. That's more than I expected from a fake!	
	Bill Fake? What the hell are you talking about?	
st5-Clear-2	Master Ha! Perhaps this will clear things up…. Bill !!	Master CONTRA appears. (identical to Bill)

Jaguar
Incredible!
He could be your identical twin!

Master
Let me introduce myself again.

Master
I am Bill Rizer.



Master
The real and original one!

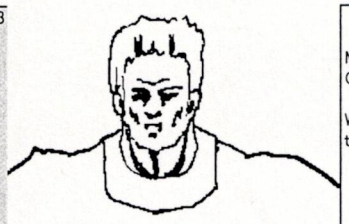
Bill
Original one?

What do you mean?
Are you saying that I'm a···clone?

Master
Bwahahaha!
You catch on quickly.

Bill
Shut up!
This is nonsense. You're stalling.

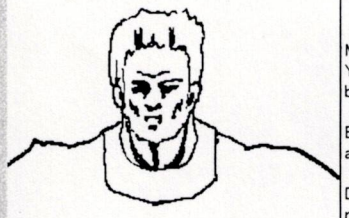
st5-Clear-3



Master
Oh? Then I'll ask you this:

What do you remember from before they put you in cold sleep? How much?

Bill
?!

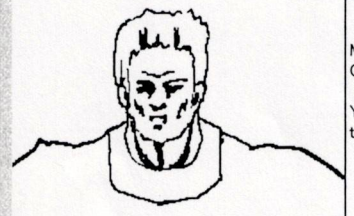


Master
You probably remember missions and battles fairly accurately.

But beyond that,
any personal memories?

Disturbing how little you can recall, isn't it?

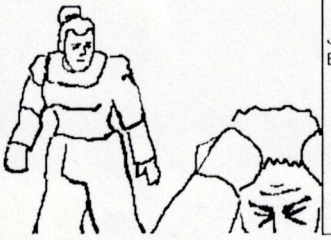
Bill
It's… it's….
But how? It can't be!



Master
Oh, but it can.

Your memories have been pieced together by a military database.

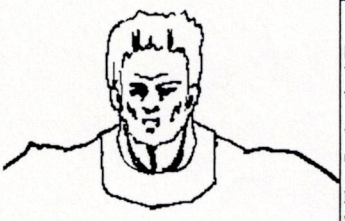
Bill
That's… that's not possible.



Jaguar
Bill…

st5-Clear-4

Master
Muwahahaha!



Master
You seem to be struggling with the truth. Though it hardly matters now.

The preparations for my noble mission are now complete.

I let you proceed so that the assembly wouldn't suspect my real intentions.
But now that deception is over.

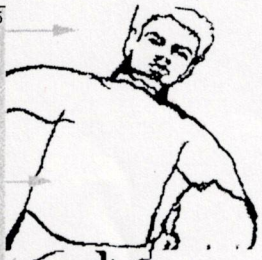
Master
The time has come to dispose of you!

Bill
Arrggghhhh!
I c-can't ccontrollll my b-body!

Jaguar
Dishonor! I let my guard down.

Bolts of elctricity engulf Bill and Jaguar
Both are in serious pain.

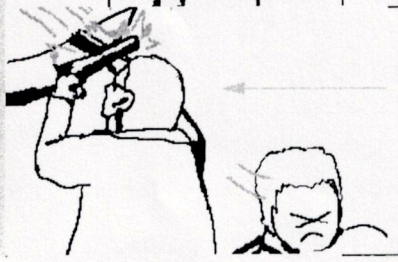
st5-Clear-5



Master
Haha!!
The game is over!

Master CONTRA takes aim on the two of them.

Master
Die!



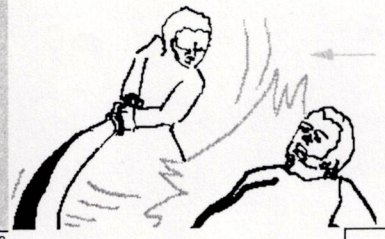
Mystery G
Not if I can help it!

Mytery G stops the execution with a shot of his own

Master
Guwah!!

Bill
Argh!
Who are you?

The shocks stop, but they are still unable to move.



Master
You'll pay for that!

Mystery G
Gaaaa--

Master G recovers and attacks Mystery G.

st5-Clear-6

Master
Annoying vermin.

It doesn't matter.
It's time to depart.

You'll just be part of the debris when
I vaporize this planet.

Master CONTRA disappears

Master
Goodbye!

st5-Clear-7

Jaguar
Where did he go?

Bill
Hang on.

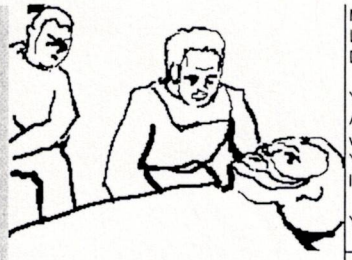
Mystery G
Aaaah!

Don't worry about me.
With these wounds, I'm already a goner.

More importantly, you've gotta get him!

Bill
But we can't just--

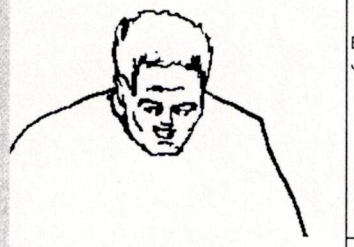
Bill cradles the dying Mystery G.



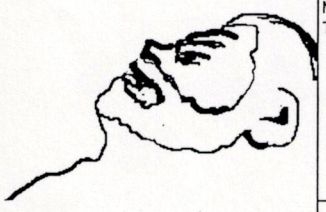
Mystery G
Listen, Rizer!
Don't let his words rattle you.

You know who you are.
And how you live your life dictates who you are.
You're not a fake if you risk your life fighting for your ideals.

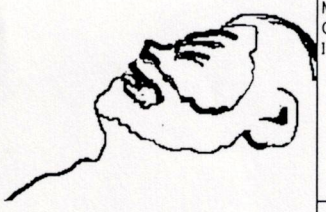
You are a true hero. You are CONTRA.



Bill
Just who are you?



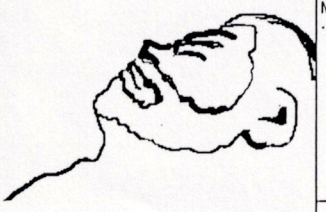
Mystery G
The same as you.



Mystery G
CONTRA…
I was called that…

Bill
Hold on!

Mystery G dies



Mystery G

Bill

st5-End 	Master Muwahahaha!	
	Master You seem to be struggling with the truth. Though it hardly matters now. The time is upon us. The time to enact my noble mission.

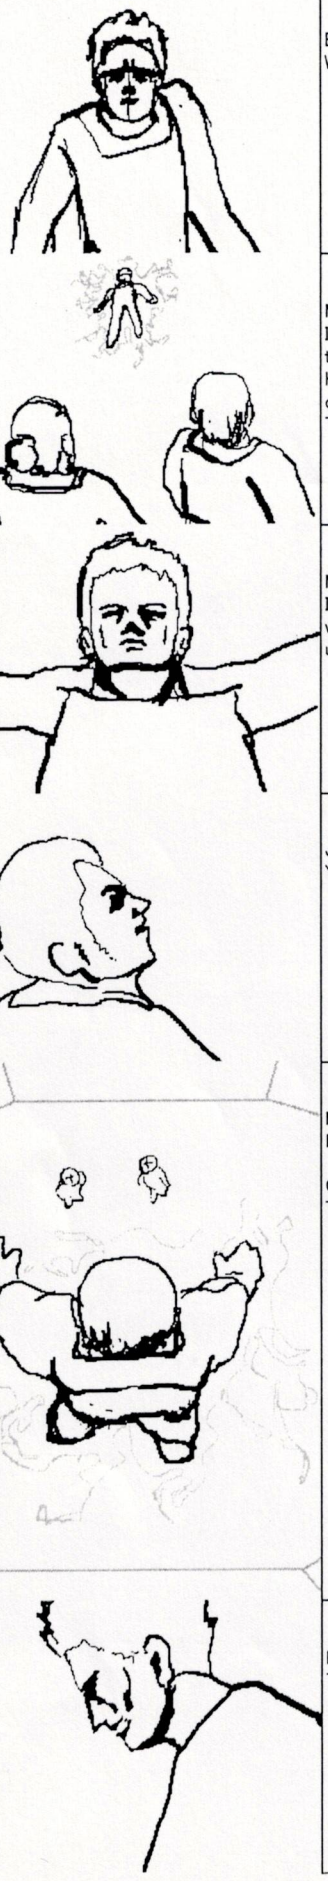
Demo6-2 Into the ultimate weapon

st6-2

cut	DIALOGUE	note
st6-2-b-1 		Face off with Master CONTRA
	Bill We've come to put an end to this!	
st6-2-b-2 	Master Humph! A shame you were able to chase me here.	
	Bill You! What are you planning?!	
	Master To eliminate the need for soldiers and the possibility of any new threats.	
	Master And eventually, the complete destruction of all structured society.	

st6-2-b-3



Bill What?!	
Master In any structured society, there are strict morals. However, to annihilate an enemy, we must conveniently forget those morals. This hypocrisy is deplorable.	
Master If we had society's foolish morals, we could never become ultimate soldiers.	
Jaguar You're crazy.	
Master Far from it. Our goals don't involve morals. They involve winning wars.	
Master That is the reason for our existence.	

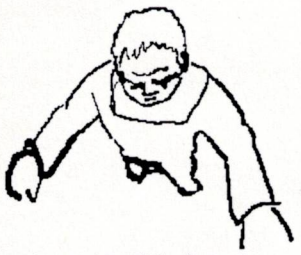
Master But enough!	

Master The time for talk is over.	

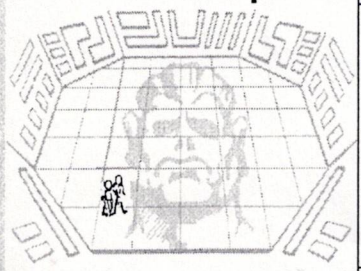
Demo6-3 Last boss revealed

st6-3

cut		DIALOGUE	note
st6-3-1			Master CONTRA's body explodes. And mechanical parts are revealed.
		Bill Wha-?	
		Jaguar He was a machine!	
		Master Heh heh heh…	
		Bill !	
		Master You couldn't possibly have defeated me.	
		Bill What are you? Master Project C. You and I are products of a	Master CONTRA's face is projected on a huge monitor.



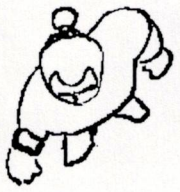
Bill
??



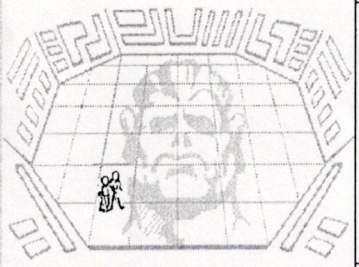
Master
It was a master plan to stop
the many conflicts on this planet.

It was the ultimate weapons project,
designed for complete genocide.
The model for the project was the
legendary and ultimate soldier,

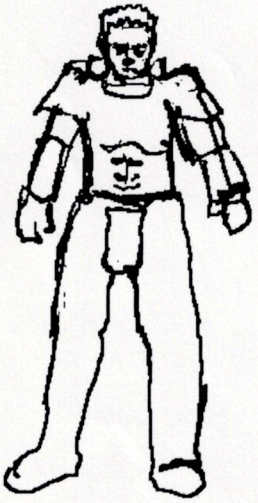
Bill Rizer.



Jaguar
But…

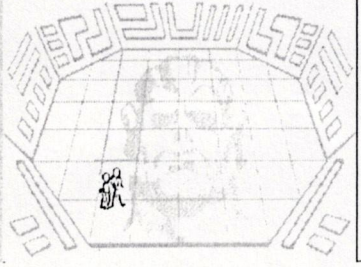


Master
There were two different paths of
research in this plan.

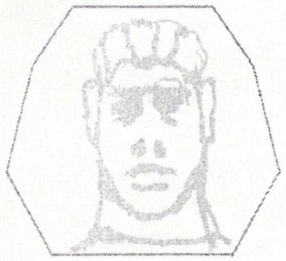


Master
One was to clone and recreate the
ultimate soldier, Bill Rizer.

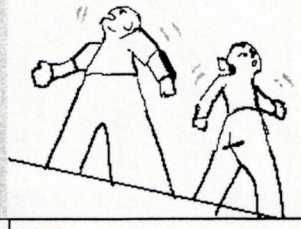
You are the result of that plan.



Master
The other was to take Bill Rizer's
consciousness and implant that into a
weapon.



Master
Which resulted in me.

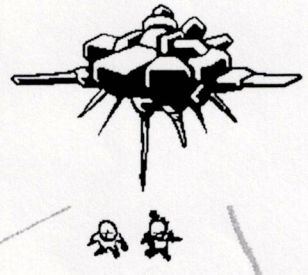


Bill
What?
But that would mean···

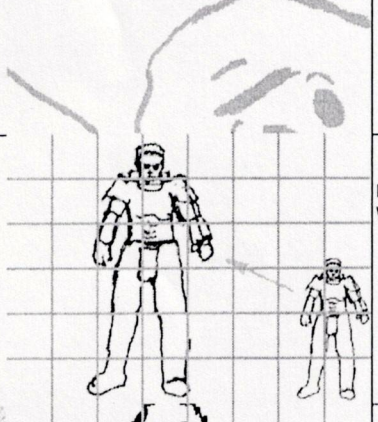
st6-3-2

Master
Yes.

This facility, which has the power to vaporize planets, is all me.



Jaguar
That would mean that you're the original Bill Rizer.

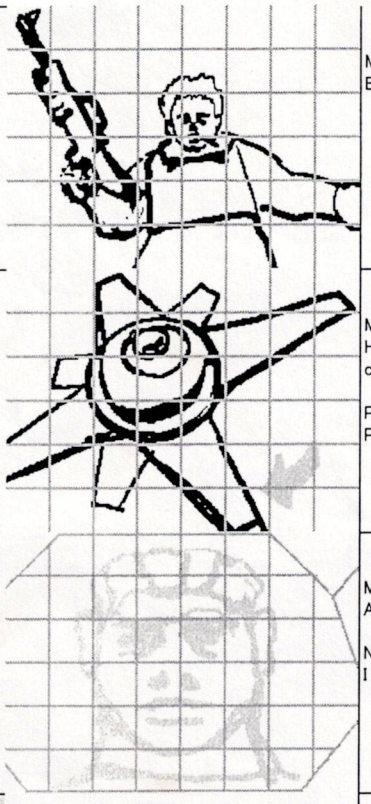


Master
What is Bill Rizer?

st6-3-3

Master
It is just a name of a single entity who has been gone···for centuries.

st6-3-4



Master
Bill Rizer is now a symbol.

Master
He is the never-ending desire for conquest. Aggression incarnate.

Power that exceeds all….
Pure destruction.

Master
And I am the original one.

No, I have far surpassed the original.
I am the ultimate form of Bill Rizer.

st6-3-5

Bill
No, you're a joke.

Bill
You're just a heap of metal with an inflated ego.

Master
I don't expect you to understand, so I'll just have to force the issue.

When I'm through, not a single strand of your DNA will remain!
